Curry rice or rice curry... I have no idea what the difference is...

—Masashi Kishimoto, 2006

岸本斉史

Author/artist Masashi Kishimoto was born in 1974 in rural Okayama Prefecture, Japan. After spending time in art college, he won the Hop Step Award for new manga artists with his manga **Karakuri** (Mechanism). Kishimoto decided to base his next story on traditional Japanese culture. His first version of **Naruto**, drawn in 1997, was a one-shot story about fox spirits; his final version, which debuted in **Weekly Shonen Jump** in 1999, quickly became the most popular ninja manga in Japan.

NARUTO VOL. 35

THE
NEW
TWO

STORY AND ART BY
MASASHI KISHIMOTO

CHARACTERS

Team Kakashi's mission to rescue Uchiha Sasuke from the sinister Orochimaru continues! While Captain Yamato's doppelganger searches for the villain's secret hideout, Naruto and Sakura pore over Sai's mysterious picture book and finally learn the truth about their treacherous teammate's troubled origin...

Sai, meanwhile, remains in the company of Orochimaru where he at last comes face to face with Sasuke. But the young man he meets bears little to no resemblance to Naruto's friend of the past. Gone are any traces of the light that was once inside him. All that remains is a being of darkness bent on destruction...

Team Kakashi finally infiltrates Orochimaru's lair and goes toe to toe with Sasuke. Now more powerful than ever, he leaves his former friends in the dust, picking up the pieces of their failed mission...
